Mesa News Notes

Robert H. Williams and H. M. Nay
of the Roosevelt Lake Copper Com-
pany were in Phoenix yesterday look-
ing after the purchase of machinery
and supplies for the company's new
camp at Reno Pass.

Mr. Nay who is superintendent for
the new company has just returned
from his first visit to the property,
and is enthusiastic over the showing
already made by the small force that
have been at work for the past few
weeks, and is unhesitating in his pre-
diction of a brilliant future not only
for the Humdinger group which his
company is developing, but also for
the whole Sunflower mining district.

Heretofore the district which has
long been known as one of the richest
in Arizona in the variety and
magnitude of its mineral deposits, has
been hampered in its development by
the absence of even ordinary good
freight roads. Gila county, however,
have lately remedied this matter to a
very considerable extent by the con-
struction of a splendid auto road
from the end of the government road
above the Roosevelt dam to the foot
of Reno Pass, and plans are on foot
for securing the active cooperation of
all interested in the district in ex-
tending the road over the pass to the
headwaters of Sycamore creek which
is the principal center of the present
activity.

One concern located on the Phoenix
side of the pass has for some time
been packing small shipments of rich
copper glance over the mountain
in each burro, whence it is freighted
to Globe at a cost of fifteen dollars
per ton. Such is the condition of the
road to Phoenix that it has cost close
to fifty dollars per ton to take in
freight from this side. The present
road this side of the pass follows the
old military trail to Fort McDowell,
but the company's engineer who was
over the road last week, expressed
the opinion that the long and washes
and box canyons of Sycamore
creek can be largely avoided by a re-
vision of the road and the company
plans an active effort to secure a good
road either from Fort McDowell or
from Granite Reef, into this most
productive district.

It is anxious to secure the earnest co-
operation of the people of Phoenix and
the whole Salt River Valley.

The property of the valley de-
pends largely upon the building up of
the mining industries of the state
and there can be no doubt that the
Sunflower district, when it is made
accessible will contribute its full share
to the general prosperity of the com-
munity.

HOME FROM TEXAS
Mrs. C. E. Turner returned to
Tempe yesterday morning after a
pleasing visit in San Antonio and
other Texas points where she made
her home many years ago.

AFTER GAME
F. J. Peck, E. P. Carr and Dr. R.
L. Adams after a game of golf at the
clubhouse, returned to the city and
looked after the white wings and doves
that have been devastating crops south
of town.

"NEARLY A KING"
"Nearly a King," one of the most
novel comedies ever conceived is to
be seen at the Alhambra tonight. It
gives John Barrymore a wide field
for the display of his unique comedy
talents and amazing versatility than
any other play in which he has ap-
peared. The play is a combination
with remarkably funny situations,
moments of the tenderest romance
and scenes of gripping thrilling sus-
pense. The story embraces every
phase of the playlight's art, from
farce to melodrama, from sentiment
to adventure.

SOME MORE MUSIC TONIGHT
Prepared with another of its popu-
lar programs of music the Merchants
band will give the usual concert on
the plaza this evening at 8:30 o'clock.
The program includes:
March, "The New White House."
Overture, "The Mingle."
Gavotte, "La Polka."
Patriotic March, "Dixie Doodle."
Dance, "The Rose Tree."
Valse, "Valse."
Selection, "Norma."
Dance, "The Rose Tree."
Star Spangled Banner.

A LITTLE DAMP
Tempe was visited with a welcome
cooling off shower yesterday morning
and for an hour a steady drizzle en-
sued, having crews and other outfits
in the harvest fields being required
to lay off for the remainder of the
day. Apparently the rain was gen-
eral over this vicinity but it was
thought last evening that no damage
had been done to any of the crops be-
cause of the dry day of harvesting.
Roads profited by the rain and in
own a grader was kept busy through-
out the afternoon smoothing over the
rough spots.

MEXICAN PIONEER DIES
Pedro Celaya, seventy years of age
and a pioneer in this vicinity, died
Friday night at his home on West
First street. His illness was short
and the end came even before physi-
cians could be summoned. Arrange-
ments have been completed for the
funeral to be held this afternoon at
five o'clock from St. Mary's church.

IN FROM BERKELEY
Miss Flora Schuchman came in
yesterday morning from Berkeley
where she has been attending the Cal-
ifornia University summer school.

WITH THE CHURCHES TODAY
At the Congregational church, Rev.
C. N. Hand, minister, today the Sun-
day school will meet as usual at 10
a. m. Morning worship at 11. This
service is sixty minutes long during
the summer. There will be a brief
informal address by the pastor on
"The Lord's Making Use of Habit."
No evening service.

At the Christian church the Sun-
day school will meet at 10 o'clock and
a thirty minute worship service will
be held at 11 o'clock. Pastor J. R.
Rountree will give a five-minute ad-
dress on "Loyalty."

Rev. Clark who is in the valley from
San Diego will speak at the Baptist
church this morning at eleven o'clock
and Rev. N. A. Coxsey will fill the
pulpit at Chandler. He will also speak
there this evening. The Baptist
church Sunday school meets this
morning at 10 o'clock.

WANTS TO PASTURE CATTLE

John Schorhauer of Texas was in
Mesa yesterday hunting for from 100
to 200 acres of alfalfa on which to
pasture a large number of head-
cows. He is a native of Texas and
hereford bulls from the Schorhauer
ranch at Midland, Texas. This
ranch contains the largest number of
registered Herefords of any in the
world, there being over a thousand
head bred in the purple. The Schor-
hauer bulls, cows and yearlings have
taken enough blue ribbons to place
them in the very aristocracy of cow-
dom.

GOING TO BALTIMORE

Mesa people will leave with regret
of the leaving today for Baltimore of
Mrs. S. E. Cannon and her daughter,

non is already loved there by the op-
erators of the R. & O. Ry. Miss Can-
non has made many friends here as
chief operator in the local telephone
exchange.

cancerous growths, left breast,

fought business trip to Prescott, which
was made in his car. He reports the

service would be held tonight or not.

BRITISH TROOPS WHO DROVE GERMANS BACK WELCOMED IN PARIS

Above: British troops in Paris with captured German guns and aero. Below: British troops among ruins of town
they captured in northern France during great drive.

These are among the first photos of the great British drive in northern France to be received in this coun-
try. In their huge offensive the Britons were obliged to utterly destroy French villages occupied by German
troops. One of the English regiments which received the brunt of the fighting during the early part of the drive
was called to the rear, and as the troops filed into the city of Paris
